ADMISSION CRITERIA FOR PGDM 2014-2016

Admission to IIM Ranchi will be based on the performance of candidates in the CAT, Personal Interview & Written Ability Test (PI & WAT) and also based on their profile. The PI & WAT process will be common to all the six new IIMs, namely, Ranchi, Rohtak, Raipur, Tiruchirappalli, Udaipur and Kashipur. The cut-off CAT percentiles, weightage for different components and the profile scoring method are given below

I. Initial Shortlisting for WAT / PI Process

An initial shortlist shall be prepared of candidates who would be eligible for WAT / PI process for admission to the PGDM 2014 -16 batch of IIM Ranchi. This list would be purely based on CAT performance and is expected to be announced around mid-January.

The cut-off percentile CAT scores for consideration for admission to IIM Ranchi is given in Table 1 below.

Table 1

Category	Section 1	Section 2	Overall
General	70	70	90
SC	60	60	75
ST	50	50	65
NC-OBC	63	63	81
PWD	55	55	70

It must be noted that every eligible candidate as per Table 1, may or may not find a place in the short-list. The above cut-off percentile figures are just indicative and actual CAT percentile cut-offs are expected to be close to the cut-off for previous years. The shortlisted candidates of all the six new IIMs will be merged to make a combined short-list for further processing.

The criteria given in Table 1 will be used to rank the students in different categories (General, NC-OBC, SC, ST and PWD) and for shortlisting of candidates based on ranking within categories for further processing.

II. PI & WAT Process:

Personal interviews and written ability test are planned to be conducted at five different centres namely Delhi, Mumbai, Kolkata, Chennai and Bangalore. The exact dates for PI & WAT will be communicated to shortlisted candidates in due course of time.

The common PI & WAT for the six new IIMs will be coordinated by IIM Tiruchirappalli.

III. Final Admissions 2014

After the PI & WAT process is over, admission offers would be announced on the basis of a merit list. This consolidated merit list (CML) would be compiled on the basis of following components and their corresponding weights:

Table 2

Component	Weightage
CAT Score	30%
PI Score	30%
WAT Score	20%
Profile	20%

The details of the above mentioned components are mentioned as below:

(a) CAT Percentile

30 percent weightage is assigned to the CAT score of the candidates who are eligible for PI & WAT.

(b) PI & WAT Score

PI & WAT scores of the eligible candidates of the six new IIMs will be directly collected from IIM Calcutta, IIM Lucknow, IIM Bangalore and IIM Kozhikode. Only the rest of the candidates need to appear for the Common Personal interview and Written Ability Test of the six new IIMs.
