

One of the most important skills needed in an organization is managerial decision-making. Any decision to be undertaken at a workplace needs to have a comprehensive strategy identified containing the rules, regulations and direction. Decision-making is an important skill not only in workplace, but also helping us to manage practical aspects of everyday life. In this workshop, we explore the many facets of decision-making with the aid of experts, from industry applications to real-world scenarios.

ON

Managerial Decision-Making

organized by

IIM Ranchi

sponsored by

SPARC

collaborating institutes

ABOUT SPARC

Scheme for Promotion of Academic and Research Collaboration (SPARC) is a Ministry of Human Resource Development (MHRD), a Government of India initiative to improve research ecosystem in India. It supports national premier educational institutions by facilitating academic and research collaborations between Indian institutions and the best and selected institutions across the world's 28 nations. The collaborative educational networks will work on common issue of national or international relevance. It encourages international faculty, for Indian institution visits and short- / long-term stays to teach courses and conduct workshops for the benefit of Indian researchers and students in the selected research area.

ABOUT IIM RANCHI

Indian Institute of Management Ranchi, the ninth member of the prestigious Indian Institutes of Management family was established on December 15, 2009, under the Societies Registration Act, 1860, under the aegis of the Ministry of Human Resource Development, Government of India with the extensive support of the Government of Jharkhand. The Institute has been accorded the status of 'Institution of National Importance' by the introduction of IIM Act 2017.

IIM Ranchi prides itself in its carefully designed curriculum, a values-oriented approach and a holistically nurturing environment. Our programs are aimed at grooming students to enable them to face challenges of the real world; to make them efficient leaders who are grounded and humble; to instill in them the quest for excellence and not just for achievement.

About the Workshop

Under the Scheme for Promotion of Academic and Research Collaboration (SPARC) program of Ministry of Human Resources and Development, Government of India; IIM Ranchi, IIT Kharagpur, University of Arizona, National Institute of Materials Sciences, Japan have joined hands for the workshop on 'Managerial Decision Making' where the project partners aim to cover the state-of-the-art managerial and academic perspectives in decision-making.
